## Annexation Meeting

We will have a representative from the City of Kirkland at our March 3rd Homeowners meeting to answer questions about annexation. They want to hear from you so please bring questions. Thank you to Pete Peterson for being willing to keep us updated on the annexation issue and how it impacts us. He has clipped articles from the Kirkland Courier and talked with people from the Planners office and obtained in-

formation about the differences between King County and Kirkland concerning zoning, tree removal, height of single family homes, sizes of boats and trailers parked in residential zones and lot coverage to name a few. To read all they have provided go to: [www.highwoodlands.org](http://www.highwoodlands.org) This is an important issue that will effect everyone.

**Stay informed!**

# Community Connections

## Reminder:

Please watch out for children as it's darker outside and they may not watch for you.

Do you know your neighbors?

Here are a few tips;

Say hello when you are outside getting your mail and they are working in the yard.

Stop and talk to people as you walk through the neighborhood.

Go to the park and strike up a conversation at the playground.

Make an effort to know who lives on either side of you and across the street.

Our community is large but can feel smaller when we know each other.

## Thank you for supporting our neighborhood!

These companies donated the new office windows at the pool house in return for a year of free advertising. It was a great deal!!!

## Annual Easter Egg Hunt

The annual Easter Egg Hunt will be held on **Saturday, March 22nd at 10:00 am.**

This fun event is for the neighborhood children and grandchildren. We have had a good turn out in the past since it has proved lots of fun for everyone. We are still in need of someone to head it up. There is money in the budget, materials in the shed and kids with baskets waiting.

Here is what the job entails:

- Buy plastic eggs, candy and prizes for different

age groups

- Stuff eggs
- Organize coffee and treats for the morning of the event (Optional but nice)
- Lay out the boundaries for the hunt
- Hide eggs
- Hand out prizes
- Clean up.

If you have young kids and want to get involved in the neighborhood but don't have the time for a big project this may be your job, and your

family benefits as well. The job is very easy and fun when lots of people help. It's also a great way to meet others in the neighborhood.

Adults who invest 3 hours will be credited \$25.00 Please contact Crystal Lee @ 425 487-3455 or a board member

ASAP and let them know how you would like to help.
