Easter Egg Hunt Volunteers

Submitted by Crystal Lee

Our annual Easter Egg Hunt will be held at 10:00am on Saturday, April 20th at the park. This is for children and grandchildren of homeowners through age 12. In order for this to happen we need volunteers who will help with set up, clean up and of course stuffing the eggs. Frances Clarke has agreed to chair again. She did a fabulous job last year and she said it was because of her terrific volunteers, she really appreciated all the help. If you are willing to help her in any capacity, please contact her at 360-561-6242.

Keep in mind **3 hours** of service will earn you a credit on your HOA dues, (credited at the end of the year).

Swim Team — Secure Your Spot!

Submitted by Crystal Lee

Mark your calendars -- April 1st the High Woodlands Dolphins Swim Team will begin registration for the Summer 2019 season. Homeowners, please register your swimmer on time for several reasons. Keeps practice lanes less crowded, more races for a swimmer at a meet, plus you get the early registration fee. We have several families outside the neighborhood to fill in where we need but last year there were several homeowners who showed up the first week of practice to join. By then spaces had been filled. If your swimmer decides not to swim you can get a full refund the first week of practice. Secure your spot if you are on the fence. The Dolphins are a fun, competitive summer league swim team who practices at the High Woodlands Community Pool. Practices begin in mid-May, with meets starting in mid-June. The season wraps up in mid to late July. By the end of March, our website will be updated with this year's registration info. Visit the Dolphin's website at

Speeding

Submitted by Jim Eagan

We are again receiving an increasing number of complaints about speeding in the neighborhood. It does appear that enforcement has decreased over recent months. To get action, you need to report this to the police through their non-emergency number (425-577-5656). Or email them at police@kirklandwa.gov. If you see a particularly dangerous situation, call 911. And encourage your neighbors to do the same. The more people who report speeding, the better the chance of increasing enforcement.

It is amazing the number of cars that blow through the electronic radar signs at 35+ mph, particularly on 119th. The best speed retardant is for all of us to drive 25 mph. Amazing the effect on the speeding vehicle behind you.

Passing of Legends

Submitted by Jim Eagan

The High Woodlands community recently lost three long term homeowners who have lived in our neighborhood for decades. They were original homeowners who have supported and contributed to our community in so many ways. Our condolences go out to the families of John Parkinson (119th Pl NE), Pete Peterson (NE 148th), and Carol Spengler (NE 149th). These three special individuals will be missed.
