Meet Personally With Your King County Council Representative

Bob Ferguson, King County District #1 Councilman, will meet with High Woodlands homeowners at our Monday, March 5 meet, in the library at Robert Frost School.

This will be a good opportunity to speak directly with our elected representative on our common concerns: annexation, continued speeding/traffic problems on 119th / 116th Avenues, the casino issue, and the general deterioration of County services to neighborhoods. He will have county staff with him to listen to our concerns. Please don't miss this opportunity. Many homeowners have contacted the board with these concerns. Now is our chance to voice them directly to someone who can address them.

Shauna Snyder Returning

The board is very happy to report that Shauna will be back as our Pool Manager.

Shauna has spent the last year in Australia and will be returning in May. We look forward to her return and managing the pool again this summer.

Memories Stolen

This last Christmas break, A black camera bag was stolen or lost near the house of the Marshall's on 149th St.

Missing is a Video Camera, and 6-7 video tapes. These tapes contain lots of childhood memories.

If you have any information, please contact Carol at 425-486-8150

Park And Pool Improvements

The board is in the process of getting bids to have the tennis courts resurfaced. Depending on cost, we are also looking into the possibility of lighting them for evening play. Also, we will have the area in back of the pool house cleaned up and resurfaced.

Swim Team Starting Up

Planning for this years swim team is underway. If anyone would like to help, please contact Crystal Lee at (425) 487-3455. There is a lot of work to be done, and many hands make easy work!

Reminders

With spring soon arriving (and we all know that means rain) please keep your curbside cleaned up, as well as any storm drains in front of your property. This will help to prevent flooding and property damage that we saw last fall / winter.

Good Bye Betty Brown

Long, long homeowner and board member, Betty Brown, has moved to Tulsa, and is getting married. Congratulations and every best wish to Betty, and many thanks for your years of service to our community.

Thank you to all the homeowners who have already paid their 2007 assessments in full, as well as those who have their first quarter dues in on time.

The Association is in strong financial shape with a current balance of \$88,000, and well prepared for the projects expected this spring and the summer swim season.

The board really want to thank all the homeowners who brought their bills current. As of this writing , there are only seven homeowners behind on their dues!

Continued Vandalism At The Park And Pool

We are still experiencing property damage in and around the pool.

We have been in contact with the King County Police who have stepped up their patrols. We have also authorized them to arrest anyone for trespassing who is in the park after 10 PM.

Please make sure your children are aware of

this.

We also ask that neighbors who live next to, or near the park, to immediately call 911 if they see anything unusual.

The park address is
11600 NE 148th Court.

Park and Pool Cleanup

We plan to have a community work party in May to do general clean-up in our common areas. This is an easy way to earn a rebate on your homeowners dues.

Anyone interested in helping organizing or helping, please contact a board member.
