

Annual Easter Egg Hunt

Submitted by Crystal Lee

This very popular event will be held on Saturday, March 31st, at 10:00am at the park. This is a great community event and one you'll not want to miss. This is for homeowner's children and grandchildren up through age 12. The Easter Bunny will be on hand for pictures and there will be snacks and hot beverages to be enjoyed by all. Bring your baskets and be on time as the eggs go fast.

Thank you to those who helped get everything ready. Those who donated 3 hours will receive a credit on their dues. Cindy Z. has agreed to do the food again but we are looking for someone to pass it on to for next year. Talk to Cindy or Crystal the day of the hunt if you are willing.

Please stay a few extra minutes to help clean up...many hands make light work.

Park Improvement from Eagle Scout Project

Submitted by David Lee

A BIG THANK YOU to Galen Borgman for building and installing two beautiful benches in our park near the stream. Galen is working on completing his Eagle Scout Rank and chose to do his Eagle Project at our park. Galen is also one of our Lifeguards. After some careful and thought out planning he created a design, materials list, a building plan and then carried out his plan. We are the grateful recipients of his effort. Please enjoy the park and look for the new benches, We are sure you will enjoy a nice break and the great views they provide. Thank you again Galen!

Bridge Repair Completed

Submitted by Ken Vogt

We would like to thank you for your patience in the time it took to repair the upper bridge. Unfortunately the bridge support beams failed and required rather extensive repairs. This involved various permits and approvals from the City of Kirkland, who were very helpful. We

were very happy to find a highly qualified contractor, Michael Dinger of Home-works, who did a great job completing it. Fortunately, the end result was the restoration and repair of a critical link in our High Woodlands park trail system. So next time you are out in this area, take a look at the results and enjoy our special wooded retreat. As an added bonus you also can use the newly installed benches to pause and reflect!

Swim Team Registration Starts in April

Submitted by Phil Voeller

Mark your calendars -- in early April the High Woodlands Dolphins Swim Team will begin registration for the Summer 2018 season. The Dolphins are a fun, competitive summer league swim team who practices at the High Woodlands Community Pool. Practices begin in mid-May, with meets starting the last week of school in mid-June. The season wraps up in mid to late-July. By the end of March, our website will be updated with this year's registration info. Visit the Dolphin's website at <https://www.teamunify.com/Membership.jsp?team=rechwdwa>, follow the links from the pool information page on the High Woodlands Homeowner's Association website, or google "High Woodlands Dolphins."

Let's Get Together

Submitted by Gloria Campbell

We live in such a great community. I've lived here 51 years and seen it grow and change. It would be fun to get to know each other better and share common interests and activities. If the idea of forming small community get togethers appeals to you, let me know. They could be discussion groups (non political), book clubs, crafting, walking, whatever. Give me a call or email if you have an idea and let's see if other High Woodlanders are interested. Gloria Campbell 425-821-2411 or gcampb2965@aol.com.
