## Eagle Project Benefits our Park

This summer Nathan Lee and a group of Boy Scouts replaced all the wood on the seven picnic tables and painted the shelter. As part of his Eagle project Nathan had to research the project, get price quotes, present options to the board then get it approved by the HOA board, his Boy scout troop and the District council. Then the big day came and he organized the workers, schedule, supplies and food to get the job done. About

25 boys and adults descended on the park and got to work. In two days time the job was completed.

The following Saturday was our Homeowners Picnic and we all enjoyed the new tables. Thank you Nathan for all your hard work and dedication to our community.

Many Boy Scout and Eagle Projects have benefitted our park and pool

over the years. The shelter, the replaced stairs leading into the ravine, the restored concession stand, the boxes on deck for pool supplies and lifeguard chair are a few of the Eagle projects. Plus we have had scouts clean up in the ravine several times. Thank you Scouts!

## Be Alert

A home in the 11700 block of NE 148th Place was recently broken into and vandalized. Several thousand dollars in valuables was taken in broad daylight in the middle of the afternoon. Thieves gained access by smashing out a back window, and were probably in and out within a few minutes. Neighbors reported seeing a suspicious white car in the area with a male and female inside.

This is a good lesson for all of us to be aware of what is going

on in the neighborhood, especially in the middle of the day when so many of us are not at home. Be sure not to leave newspapers in your driveway, flyers in your doors, garbage cans at your curb after collection -- all dead giveaways that you may not be at home. And when you see something, call 911 right away.
